

Equipment Costs Surged Despite Revenue Gains

Truck and parts prices increased 22–28% as tariffs hit imported components

Price Index (2015–2017 Baseline = 100)

Equipment Category — Commercial Trucks (Class 8) — Truck Parts & Components (HS 8708)

Yellow = Commercial trucks; Red = Truck parts & components (HS 8708).
60–70% of truck components are imported, driving cost increases for owner–operators.
